- Icons: Wi-Fi, Ethernet, USB, and a crossed-out incinerator symbol.
- certified FCC ID: SAR14000
- 1010017 Rev A
- Technical specifications table:

TYPE	4000
SN	
MAC	

A side-profile view of a black Sony Ericsson W995 mobile phone. The phone is oriented horizontally. On the right side, there is a red power button with a white power symbol. To its left are two silver-colored volume rocker buttons. The phone has a sleek, rounded design. The background is a light-colored, textured surface.
